SPONSORSHIP PROPOSAL

MISSION OF CAMP CREATE

Camp Creative was born out of the deep hopes to engage, cultivate, empower and involve youth in the artistic community. We, as a collective creative team, wish to walk alongside students as they find their passions in the art world and bring their gifts into our community. We believe that we were made by a creative and artistic God and that, as image bearers, we inherit and reflect this divine creativity. We want to pray over and mentor students with the inspiration of the Holy Spirit. It is in great hopes that we would provide the youth of our community with trustworthy relationships and tools that bring them joy and empowerment. As a team, we know that it is only through Christ that we can bring these gifts and attributes.

PROPOSAL

We will be hosting a week long art exploration opportunity for youth ages 6th through 12th grade. It is our goal to reach as many students from as many different backgrounds as possible. For this reason it is our goal that students would not have to pay anything to attend Camp Create.

We are looking for sponsors who would be willing to partner with us financially and prayerfully to support students on their creative, community, and spiritual journeys.

Create Showcase Night

On the final night of Camp Create we will host showcase and dinner where students will display their creative work from the week and where we will reveal our special group project. We would like to extend an invitation for the showcase to all donors:
